

Unleash the best of multimedia

Satellite P50-C-14J

Experience the very best in multimedia with the stylish, 39.6cm (15.6") Satellite P50-C – which includes a range of premium features designed to unleash the full potential of all your next-generation digital content. The P50-C offers both AMD and Intel® processors, including up to Intel® Core™ i7, for a supremely responsive performance. You can even select NVIDIA® GeForce® GTX 950M graphics with 4 GB VRAM, to meet the most demanding requirements and enjoy fluid, life-like visuals. With true-to-life colour calibration by Chroma Tune™, the optional Ultra HD 4K touch display provides a truly eye-opening viewing experience for video playback and the latest blockbusters.

And with high-quality audio, supported by renowned Harman Kardon® stereo speakers and a sleek aluminium design, you'll always leave a lasting impression. The P50-C also comes with Windows 8.1 pre-installed – while Windows 10 is available via a free upgrade*.
